

School and early years staff

Vote

YES

for strike action

After years of declining pay, school and early years staff have had enough. It's time to take action. If you are a school or early years worker, you will receive important voting papers through the post soon.

The cost of living is putting pressure on workers and their families like never before. COSLA's offer of 2% is a real terms pay cut. You deserve better than this.

This is why we are asking you to vote **YES** to strike - to improve your pay.

What do you need to do?

You will receive your ballot paper in a blue envelope in the post - from 10 June. Please fill it in and return it, we must receive your ballot by 26 July - to ensure your vote is counted.

If you need to, you can get a replacement ballot paper sent to you by logging into 'My UNISON' at my.unison.org.uk or call the hotline on 0800 0 857 857 - it's open between 15 June and 20 July.
