

Value the services, value our pay.

LOCAL GOVERNMENT WORKERS SCOTLAND

Vote **YES** for strike action and action short of strike action.

You should have received a strike ballot through the post. Return it as soon possible.

Local government workers deserve a fair pay rise.

Council employers have offered you a miserly 3% while the cost of living continues to go up by more.

Energy bills (6.4%), rent (9%) and council tax bills are soaring (15%)

Despite claims of valuing local government workers, the reality is different.

After a decade of below-inflation rises, our pay has plummeted in value - by 20% for many.

Our NHS colleagues have been offered 4.25% for the first year of a two-year deal. We all deliver essential public services, and we should all be valued.

Make your voice heard – every vote counts.

Let's all send a powerful message that local government staff deserve better. And if necessary, we are prepared to take strike action to get fair pay.

Completed ballots must arrive no later than 10 am on 12 June.

To request new ballot paper call: 0800 0 857 857.

Ballot hotline 0800 0 857 857 opens on 15 May and closes at noon 5 June.
