PUT NHS PAY RIGHT
Pay ballot 2022

UNISON health members will receive an email ballot asking 2 questions:

1. Do you want to ACCEPT or REJECT the Scottish government's pay offer?
2. Are you willing to take industrial action up to and including strike action?

The Scottish government offer is on back of this leaflet.

UNISON recommends you REJECT this offer. And vote to take industrial action up to and including strike action.

In UNISON's view, the offer is significantly less than inflation. And, highest paid staff will receive a rise worth £5,523 per year up lift, whilst whilst lower paid staff get £1,080.

We need a pay deal that fairly rewards all NHS staff. Everyone should be able to pay their bills without worrying.
