

If elected I will:

Recognise

The crucial role local government workers play in our communities and economic recovery. Ensure no compulsory redundancies or privatisation of services.

Respect

Be an employer that treats people with dignity and respect at all times. Ensure fair work principles are applied and respect the professional judgement of local government workers.

Reward

Ensure local government workers get paid a fair wage and we eradicate the endemic low pay that exists in the sector. Ensure workers get choices in post-pandemic working arrangements and associated costs are met by the employer
