

CORNERSTONE AND UNISON JOINT STATEMENT

Fair Work Framework - 26 September 2017

The Fair Work Convention was established in 2015 following a recommendation of the Working Together Review. The vision of the Fair Work Convention is that, by 2025, people in Scotland will have a world-leading working life where fair work drives success, wellbeing and prosperity for individuals, businesses, organisations and society.

A Fair Work Framework was subsequently produced which focuses on **effective voice, opportunity, security, fulfilment and respect**. The Framework provides guidance on how to be a Fair Work Employer.

UNISON and Cornerstone have reviewed the Fair Work Framework and have agreed to work together to ensure that Cornerstone continues to be a good and fair employer by meeting the requirements within the Fair Work Framework. This mirrors one of the key pillars in Cornerstone's Strategic Plan.
