Dear Colleague

OVERTIME FOR EXECUTIVE AND SENIOR MANAGER STAFF DURING CORONAVIRUS (COVID 19) OUTBREAK

The Scottish Government recently suspended the prohibition on overtime for Agenda for Change staff in bands 8 and 9 in recognition of the role they are likely to play assisting NHS Scotland in dealing with Coronavirus (COVID 19).

We also recognise the added pressure Coronavirus will put on staff in the Executive and Senior Manager (ESM) cohorts who will be working alongside Agenda for Change colleagues on comparable levels of pay. For that reason, we are also suspending the prohibition on overtime for staff in the ESM cohorts up to Director level. ESM staff up to Director level will therefore be able to receive overtime, at Agenda for Change rates and at the discretion of the employer, where this is deemed helpful for the provision of clinical or other services necessary to the continued operation of NHS Scotland.

Where a Board deems it desirable for the reasons outlined above to pay overtime to staff at Director level and above, this needs to be signed off by the Remuneration Committee who will be expected to scrutinise such proposals on a case by case basis.

Yours sincerely

Stephen Lea-Ross
