

**Communications & campaigns committee**  
**Photography Training**

**Tuesday 28 November, 1pm**  
**Glasgow Branch, Bell St, G1 1LQ**

## HOW TO TAKE A HALF DECENT PHOTOGRAPH

We encourage anyone with an interest in UNISON communications and photography to come along, **no matter your skill level** as we will share experience and knowledge. The course will last about 2 hours, starting after lunch.

The aim is to make you a better photographer leaving the room than when you enter it. With a better understanding of how your phone, tablet or camera takes a pic and some basic rules for composing and editing a digital photo.

If you can, please bring something to take a photo - phone, camera, ipad, SLR - and we can practice.

**Photo training will cover:**

how a camera works  
aperture, shutter speed, ISO, and focus  
photo composition  
editing photos

To book on the course please email: [h.scott@unison.co.uk](mailto:h.scott@unison.co.uk)  
Any questions, speak to UNISON communication team: **Danny or Trisha 0141 342 2877**
