

NETWORKING *Scottish Black Members*

DAY

SATURDAY 28TH

OCTOBER

10:00 – 16:00

Scottish Black Members networking day is an opportunity for Black Members across Scotland to meet their Committee Members, Black Member Officers and share their experiences.

Your voice and experiences help shape our committee and UNISON Scotland. We want to meet as many members as possible and welcome new faces. Through discussions and positive conversations we can promote equality in the workplace, challenge discrimination and build a stronger union.
