## LEADERSHIP AND ORGANISING WEEKEND 11-13 MAY 2018

Are you a Branch Officer?  
Or interested in becoming  
one? Or want to find out  
more about the various  
roles and the skills  
required to fulfil them?  
Then this is the weekend  
for you!

Whether its Branch Secretary, Chairperson, Treasurer, Education, Equalities, Communications, Health & Safety, Welfare or Retired Members we will be offering training on all of these at our weekend event in Glasgow. At the same time a group of the most senior lay activists in Scotland will be learning how to become Leaders in Organising, looking at developing a shared understanding of organising principles and methods to build on this work in Scotland. And as if this wasn't enough there will be interactive entertainment on the Friday night celebrating the year of the suffragette and on Saturday night a showing of the film Nae Pasaran.
